

51st Annual

Festival of Barbershop Harmony

Featuring...

Roadshow

Neither our Capital-region audience nor respected reviewers and judges can get enough of this high-energy quartet of Barbershop Harmony Society champions. Mike, Bob, Jim and Mike have even crossed over into the wider world of acappella competitions, winning the Boston Regional Harmony Sweepstakes, and going on to Finalist ranking at the National 2009 Harmony Sweepstakes. Come listen for yourself, laugh, clap, and join the ranks of their fans and followers!

Average Joes

With the addition of Tilton's Kirk Young, another Northeastern District champion (*The Management*), the Average Joes have moved into new musical and entertainment territory. More better...but still Average Joes!

Concord Coachmen Chorus

Under the direction of Eric Ruthenberg

The chorus is celebrating an unprecedented growth spurt; new faces mean new music, new interpretations, and more fun for all. Even better, this 51st Annual Show is a warmup to bigger and better things for them, like competing at the Northeastern District level of the Barbershop Harmony Society.

+ MORE QUARTETS: REWIND!, D'Accord, Rollstone Sound, and Hometown Pride

AND... in a tribute to a revered Honorary Member of the Barbershop Harmony Society, the late Mitch Miller, we'll sample the many memorable songs he (re)introduced to the American public in the 50s & 60s. Now and then we'll ask you to Sing Along!
